Become a Virginia Nursery & Landscape Association (VNLA) Member and keep pace with the issues that affect landscape professionals and the people who work with them. A membership in VNLA is affordable, creates networking opportunities and allows your voice to join others who support high standards in our profession.

- **MEMBER** — Nurseries, garden centers, landscape contractors, landscape designers, landscape maintenance contractors, landscape architects, wholesale growers, re-wholesalers/distribution yards. Fees based on gross sales volume of your business.
- **INDIVIDUAL ASSOCIATE MEMBER** — A single individual Virginia Certified Horticulturist (VCH) with the nursery/landscape industry or as employees of non-member firms \$65 (only one certification in this category). All other Individual Associate Members \$95. Not available to businesses. Also available to Extension Agents and local/state government individuals. Individual members will be listed as: Associate – “their last name” (Associate – Miller). Extension agents and government employees will be listed as the locality they work in.
- **ALLIED MEMBER** — Businesses supplying products and services to the nursery industry and allied organizations who wish to keep abreast of Virginia nursery and landscape professional events and education. Including hardgoods, chemical/fertilizer, equipment, insurance, management and financial services, technology services, independent salesmen, brokers, etc. whether in-state or out-of-state.
- **OUT-OF-STATE MEMBER** — Nurseries, garden centers, landscape contractors, landscape designers, landscape maintenance contractors, landscape architects, wholesale growers, re-wholesalers/distribution yards not located in Virginia.
- **STUDENT MEMBER** — Full-time students and teachers.

MEMBER BENEFITS:

- **LEGISLATIVE AND REGULATORY MONITORING** — updates and advocacy on your behalf
- **VIRGINIA CERTIFIED HORTICULTURIST TRAINING** — currently more than 500 of your colleagues are certified, and their numbers are growing: professional-grade training recognized in Virginia, prerequisite for other credentials in the Chesapeake Bay region
- **QUARTERLY NEWSLETTER** — online and in print
- **ANNUAL VIRGINIA GROWERS GUIDE** — wholesale purchasing guide for professionals only, online/mobile access for use in the field
- **KEEP CONNECTED** — with research and higher education in horticulture and design through scholarships and research funded by members’ own Foundation and funds to benefit the next generation and grow our shared professional knowledge

OUR MISSION:

To enhance, promote, and advocate for Virginia’s nursery and landscape professionals.
